### Parents' Club & School Volunteer Opportunities

(All parents of students enrolled at Cedarwood are automatically members of the Parents' Club.)  
 Let us know how you would like to be involved here at school. Parents' Club is committee driven.  
 Simply choose your favorite activities and events.  
 You will be contacted by the committee chairs as we get closer to each event.

\_\_\_\_\_ Room Parent for \_\_\_\_\_(teacher name)

**Please limit your room parent signup to one class.**

Room parents will assist with coordinating homeroom and school special activities as they pertain to the homeroom. A room parent will also serve as the homeroom communicator when asked to do so by the teacher or administration. When more than one parent signs up to be a room parent, names will be randomly selected from those volunteers and an assistant room parent will also be selected.
