

K-7th Artists in Motion

Join Cedarwood Art Teacher Rachael Pace to celebrate the beautiful changing of the seasons with nature-themed art! Club members will learn how to draw trees, flowers, and plants as well as using natural materials to create original art. As the weather cools down, and the leaves begin to fall, it is the perfect time of year to go on a nature walk and sketch discoveries in our very own nature journals. We will also take a look at other artists inspired by nature such as **Tim Pugh** and **Andy Goldsworthy** to make our own inspired takes on their environmentalist art.
