## About our Moderators

Molly Moore grew up in central Illinois and earned her Bachelor's Degree in elementary education from Eastern Illinois University. She is in her sixth year teaching middle school at Cedarwood. This year she is teaching math and science. Molly is married to her high school sweetheart, and they have two sons, Keaton and Tyson.

Molly began cheering in middle school and continued to cheer through her high school years. She loves the sportsmanship, creativity, excitement, and positivity that embody cheerleading.

Niki Gazeley grew up in northeastern Ohio. Her love for travel and adventure led her around the Midwest and southern United States playing competitive tennis. While attending university in Tennessee, Niki earned her Bachelor's Degree in elementary education from Tennessee Technological University and her Master's Degree from Cumberland University. Niki comes to us with a multitude of experience in education. In her seventeenth year teaching, she has served in a collection of roles. She is excited to be a part of the Cedarwood team and share her many talents.

Niki's love for sports flourished while cheering for multiple sports during middle and high school years. Whether on the tennis court or the side of a football field, Niki has always loved competition. She truly enjoys the comradery and friendship found in athletics. This is Niki's second year co-moderating Cedarwood's Cheerleading squad. Niki is certain the girls will enjoy the gamesmanship and have fun supporting the Snappers!
