

Hi Everyone!!!

It is beginning to look a lot like the holiday season!!!! And with that brings such a wonderful opportunity for our preschool families and children to remember what is important about this time of year! Community service is an important part of our Cedarwood students' foundation for life. The Christmas Angel's program is the perfect opportunity to teach our children about the importance of giving. And what a perfect way by providing toys to children that may not enjoy the privilege and blessings our children enjoy during this time of year!

This year, our Christmas Angels will once again be children from our community that have been referred to us by the Department of Children and Family Services. The children that are under the care of DCFS have experienced extreme neglect, abuse, and unstable home environments. The wonderful staff at DCFS work to provide a refuge and stability for these children. What a privilege our students at Cedarwood have to make this Christmas season a joyful time by providing toys on their wish lists!!!

We are asking preschool children and their families to participate by donating **NEW, UNWRAPPED TOYS** for children of all ages, up to the age of 16. The toys will be presented to the agency during a special assembly. **TOYS ARE TO BE DROPPED IN THE WRAPPED CHRISTMAS ANGEL BIN THAT WILL BE IN THE PRESCHOOL BUILDING MAIN HALL.**

THE LAST DAY TO BRING TOYS WILL BE **THURSDAY, DECEMBER 7TH**.

Thank you so much for making this wonderful program possible.
