We will spend most of our time playing on the course learning pace-of-play, etiquette, course management, and rules of golf. The goals for the team are to develop basic golfing skills and love of the game. **The form should be completed and returned by Thursday, March 29<sup>th</sup>** in order for your athlete to participate in Golf.

**Parents** - It is important that parents help out at practice by assisting in the supervising of all golfers. There needs to be at least one parent for every three golfers present, especially when we walk the course.
