

## Wonder League Robotics Competition Team

- ❖ Team requirements 6-8 year olds
- ❖ Team members must be **6 years old and turning no older than 9** as of September 1, 2017-August 31, 2018
- ❖ **Tuesdays and Thursdays from 3:30-4:30**
- ❖ **Fees are \$110 per semester**

This is a year-long commitment!

Starts Thursday, September 14<sup>th</sup> through the end of April 2018.

There is a limit of 5 students! If we have more sign up, we will choose the 5 team members based on the age requirements of the league.

Sherie Malta will be moderating the Wonder League Robotics Team. Teams will participate in three rounds of missions over a five-month period to become eligible for a Wonder Workshop sponsored Invitational Round in Spring 2018. Teams will design solutions for real-world science and technology challenges by programming the Dash & Dot robots. They will develop problem-solving and creativity skills while building meaningful relationships with their peers and having fun! Plus they will display their scientific thinking through authentic journaling.

### Why Join?

- Encourage 21st-century learning
- Develop computational thinking skills
- Build teamwork and community spirit
- Submit all entries online – this is a virtual competition (no traveling!)
