

## Feature Your Child in the Yearbook

It is time to place your **PDA (Public Display of Affection) Ads and Business Ads in the 2017-2018 Yearbook!** A **PDA Ad** gives parents the opportunity to write a personal message or include a special photograph. Even your child's artwork can be submitted. We can also include your company or business ad for the same prices.

Reserve your space in this year's yearbook by filling out the form below.

A check for the size ad you would like to purchase, photographs, artwork, business logos or cards and messages are also required.

### **\*Business ads are welcome!**

**Personal ads and messages** for page sponsorship **must be submitted by email** to [smalta@cedarwoodschool.com](mailto:smalta@cedarwoodschool.com) by **Friday, May 11th**. Just send your message and attach your photo. Photos must be JPG or TIF format. If you would like to submit a piece of your child's artwork, send it in with the order form.

\*Remember the Cedarwood yearbook will be in **ALL COLOR!** Take that into consideration when choosing your photos (watch out for red eyes).

If you have any questions, please email **Sherie Malta** at [smalta@cedarwoodschool.com](mailto:smalta@cedarwoodschool.com).
